EMPLOYEE REWARDS PLUS

A High-impact Employee Rewards And Benefits Program

What is Employee Rewards Plus (ERP)?

ERP is a ground-breaking concept that blends a revolutionary Rewards Program with 3 additional benefits for Travel, Education and Telemedicine. ERP delivers thousands of dollars in value for only \$9.95 per employee per month!

How is this possible?

Our team has decades of experience building robust reward programs for Fortune 100 companies and has been awarded 6 US patents for rewards methodology. We have leveraged this vast experience and knowledge to deliver ERP, the most comprehensive, cost-effective program for businesses of all sizes!

Four Great Categories of Rewards:

Using our revolutionary concept, each employee receives **5000 points** (\$50 in value) every month. Points can be redeemed for the following categories:

Local Offers: 300,000+ offers for dining, shopping and entertainment!

- e.g., Subway, TGI Friday's, Papa John's, Applebee's and Boston Market

Merchandise Gift Certificates: 60+ (and growing) premium brands to choose from!

- e.g., Oakley, Michael Kors, The North Face, Coach and Pandora

Magazines: Popular titles to choose from – enjoy **FREE** magazine subscriptions!

- e.g., Sports Illustrated, People, Good Housekeeping, InStyle, and Fortune

Sweepstakes: 120+ popular store branded gift cards make up the prize pool!

- e.g., Amazon, Apple, CVS, Best Buy, Walmart, Dunkin' Donuts, Kohl's and Chili's and so many more

Three Amazing Benefits:

Your employees will enjoy unlimited access to the following benefits:

Wholesale Travel Rates: Access to closed network private hotel rates. Private rates are up to 50% below the hotel's website pricing on over 600,000 properties worldwide.

CollegeSave®: A private program to help employees plan for their loved ones' college years. The key benefits include a guaranteed scholarship fund at 375 schools (up to 1 full year of tuition savings), expert guidance on how to afford college and homework helpline the child can utilize throughout their pre-college years.

WellVia Telemedicine: Avoid costly and inconvenient doctor visits by consulting with a team of medical care practitioners online, by phone or video conference 24 hours a day, 7 days a week, 365 days a year, even on holidays.

This complete package is available for a small one-time set-up fee and a per employee monthly fee. Enrollment is fast and easy!
